

# IMPORTANT MESSAGE ABOUT SNAP

All SNAP recipients in Connecticut must report when their household’s total monthly gross income exceeds 130% of the federal poverty level (FPL)

**WHAT?** 130% of FPL depends on the number of people in your household

If your household's total monthly gross income goes above the amount listed for your family size, you *must* report it to DSS. This table shows the current amounts for 2014.

Household Size	130% Reporting Threshold
1	\$1245
2	\$1681
3	\$2116
4	\$2552
5	\$2987
6	\$3423
7	\$3858

Gross income is the amount *before* any deduction.  
Total household income includes all earned and unearned income of each household member.

**WHEN?** You must report this change by the 10th of the month after the month when your household's total gross incomes goes above the limit.

**HOW?** You may report this change to DSS by:  
Calling 1-855- 626-6632  
or writing to the  
DSS ConneCT Scanning Center  
PO Box 1320  
Manchester, CT 06045  
or visiting a DSS Service center

 **WHY?** Timely reporting helps DSS ensure that every household receives the SNAP benefits they are entitled to receive.
